Invention Patent Certificate

Title of the Invention: An Integrated Processing Device for Drying Pad Paper
in Chick Box

Patentee(s): Wens Foodstuff Group Co., Ltd.
Jili (Shenzhen) Intelligent Equipment Co., Ltd.

Address: No. 9, North Road of Dongdi, Xincheng Town, Xinxing County,
Yunfu City, Guangdong Province 527400, P. R. China

Inventor(s): Zhang Rong; Chen Benjun; Kang Zhiqiang; Cao Weihua;
Li Jian; Hong Huachao; Li Yongxing

Patent No.: ZL 2024 1 0804599.8 **Authorization Announcement No.:** CN 118602729 B

Filing Date: June 20, 2024 **Authorization Announcement Date:** October 14, 2025

Applicant(s) at the Time of Filing: Wens Foodstuff Group Co., Ltd.
Jili (Shenzhen) Intelligent Equipment Co., Ltd.

Inventor(s) at the Time of Filing: Zhang Rong; Chen Benjun; Kang Zhiqiang; Cao Weihua;
Li Jian; Hong Huachao; Li Yongxing

The China National Intellectual Property Administration has examined the invention patent in accordance with the Patent Law of the People's Republic of China, decided to grant the patent right, and hereby publishes it. The patent right shall come into force on the date of authorization announcement. The validity of the patent right and legal information such as changes of the patentee shall be subject to the records in the patent register.
